## What you should do

### Members of the public

- Check that any unexpected correspondence received is genuine - particularly if it asks you to provide personal information, funds or informs you of new bank details - by contacting the law firm directly by reliable and established means.
- You can [Contact us](https://higher-rights.sra.org.uk/contactus/) [https://higher-rights.sra.org.uk/contactus/] to find out if a solicitor or law firm is regulated and authorised by the SRA.
- You may also need to verify details independently, such as checking public records (eg. telephone directories and company records) in some circumstances.
