Introduction

These provisions set out the SRA's arrangements for the authorisation of firms. This includes recognised bodies, licensed bodies and recognised sole practices.

The rules set out our authorisation and application requirements, the effect of authorisation by the SRA on the legal activities such bodies may provide, and how and when we may restrict or limit a firm's authorisation or bring it to an end.

If you are unsure whether you are eligible for authorisation, or need to be authorised, please see our [guidance \[https://higher-rights.sra.org.uk/sra/decision-making/guidance/authorisation-firms/\]](https://higher-rights.sra.org.uk/sra/decision-making/guidance/authorisation-firms/).

This introduction does not form part of the SRA Authorisation of Firms Rules.
