

SRA In-house Conference 2024

21 March 2024

Working in-house: challenges, priorities and opportunities

Watch our on-demand conference for solicitors working in-house.

We brought together experts on working in-house from organisations in the private, public, and charity sectors to share their insights.

Our aim was again to create an event that works for you – offering a space for in-house lawyers to have thought-provoking discussion, share ideas and gain practical advice to help you in your day-to-day job.
